Hey Bre,

If you aren't overly taxed, I would love if you could help me with this. What I hope to do is get help turning Figures 2 and 3 of the attached internal deliberative report from research grade figures to publication grade.

If you are willing to help, let me know what I need to do. If you are too busy, no harm no foul.

Thanks!
John

You can do the graphics request yourself or Brandy or I would be happy to do it for you – take a look and see if you think it is something you want to mess with, Ex. 6 Personal Privacy (PP)

Hey Bre,

Do you know how I go about asking to have graphics work done?

I do not!
